

Helensburgh Public School Canteen Volunteers

(Please return to the canteen)

Dear Parents

We can always use volunteers for our school canteen.

Our canteen is always working towards providing a selection of healthy food and drink and a few tuckshop goodies for our children at lunchtime. Our canteen follows the guidelines of the NSW Healthy Canteen Strategy. Helensburgh Public School canteen is a not-for-profit service for HPS families run by HPS P&C.

We require volunteers each day to work the hours of 8:30 am to 12 noon.

For a few hours once a month you can make your child very happy and help us in the canteen – it's not hard and no experience is necessary. We have a good giggle and solve some of the world problems while making friends and food for our hungry children. You can get together with a friend and make it a good day to catch up or come along and meet some new friends.

We also encourage Grandparents to volunteer. It is very rewarding to see how much pleasure that students get from having mum or dad, grandma or grandad helping out in the canteen.

Unfortunately, the only rule is NO preschoolers are allowed due to WH&S legislation. All volunteers who are close relatives of our students need to complete a 'Declaration for Volunteers and Non-Child related contractors', show government issued photo ID and one other identity document. This form is available from the school office.

If you can spare one day per month, please fill in the form below indicating which day of the week you are available. Please return to the canteen as soon as possible. If you have any inquiries, please pop into the canteen to see Melisa during canteen hours or give her a call on 0438 672 882.

Thank you for supporting your school P&C.
