

17 August 2021

Dear Parents and Carers,

RE: FUN FRIDAY

All staff at Helensburgh Public School are appreciative of the hard work of our students and parents during this home learning period. We have decided to hold a 'Fun Friday' to give students some alternative, fun, educational activities to choose from on Friday, 20 August.

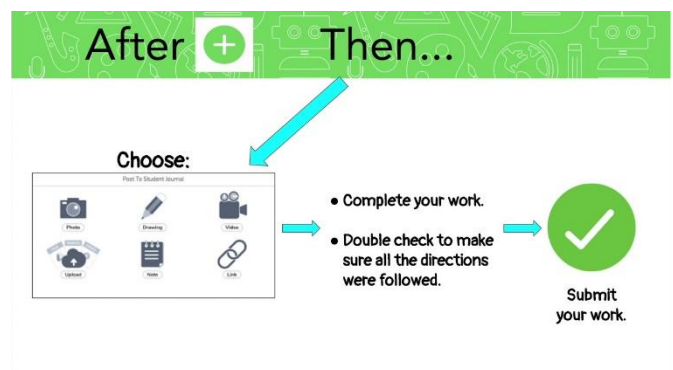

Students will be able to complete activities of their choice on that day. Activity choices have been broken into categories called 'Sheds'. There are a wide range of choices available on our website: <https://sites.google.com/education.nsw.gov.au/hpshomelearning/fun-friday>

There will be options to #Learn Together, where teachers have recorded videos of different activities. These videos will be available on the website and in a Seesaw activity. Other options and instructions can be downloaded in the print pack under each Shed heading as shown below.

THE NATURE SHED

#Available in Print Pack can be downloaded here

Please ensure you login by 9.30am as normal. You can upload your photos and videos to Seesaw by following this prompt:

We look forward to seeing the Fun Friday activities you upload. You could also take this as an opportunity to catch up on any incomplete schoolwork if you have been too busy during the week. We hope this day brings you some joy!

Kind regards,
Mr Neild and Miss Blakey
