

31 January 2023

Dear Parents/Carers,

**RE: Staffing Update**

Today the executive team have checked student enrolments and I am very pleased that students have been able to start learning in their 2023 class after lunch. Please feel free to come and introduce yourself to your child's teacher this week. Staff will be making themselves available each afternoon for informal chats.

There have been changes to our permanent and temporary classroom teachers this year. I would like to congratulate Ms Kate Maslowski, Ms Isabella Kinnes, Ms Kiara Davitt, Miss Nicole Peace and Mrs Nicole Hennessy who have been made permanent classroom teachers. In addition, I would like to welcome temporary full time classroom teachers: Mr Aidan Karan, Mr Mitchell Suey, Ms Jade O'Brien, Mrs Tara Pogson and Mrs McNamara.

This year we have additional School Learning Support Officers helping students with additional learning needs. They are Mrs Alison Page, Mr Brady Tipping and Mrs Simone Drury. Mrs Tracey Gersback will be providing school administration support and we welcome her back to our school in her new role.

Congratulations to Mrs Jen Dowling who has been made a substantive Assistant Principal Curriculum & Instruction role through merit selection last year. She will be leading literacy and numeracy professional learning at our school. The other Assistant Principals at our school are: Mrs Badham (Early Stage 1), Mrs Jess King (Stage 1), Mrs French and Mrs Cook (Stage 2 – sharing the Stage 2 Assistant Principal role while Mrs French is on part time leave Mondays and Fridays) and Mr Thompson (Stage 3). Mrs French and Mrs King will be taking maternity leave from Term 2 and will be providing literacy and numeracy support and mentoring this term.

I know all our staff are really looking forward to a great 2023 where we will strengthen educational partnerships. We will be holding a class parent information session/welcome BBQ and details will be sent out soon.

Teacher information is as follows:
