3 February 2023

Student Representative Council

Dear Parent/Carer,

The SRC is a fantastic way for students to have a voice in helping improve the school and it also develops students' citizenship and leadership skills. This year our school leaders will have an important role in co-leading the SRC meetings with the organising teachers.

Students from grades 2-6 can nominate to be on the Student Representative Council. On Monday, 6 February 2023, interested students will have time in class to write 3 reasons why they would like to be in the SRC. The speech is very short – no more than 30 seconds.

On Tuesday, students will present their speech and the class will then elect 2 representatives from each class. We will be holding a SRC induction ceremony this term.

Students elected will be expected to attend lunchtime meetings and display positive behaviour.

I am looking forward to working with the school leaders and SRC this year.

Kind regards,

Ewen Neild
Principal
