

Kindergarten Home Learning - Term 2 Week 1

If you see this icon go to the Kindergarten blog.

If you see this icon complete the task on Seesaw.

Any task can be completed on paper if you prefer.

All worksheets can be downloaded from hpsk2020.weebly.com

Wednesday 29th April

Spelling and Phonics Activities: 30-40 minutes

We will be learning a new sound /u/

Activity 1: Watch [Starfall](#). Practise writing the [letter u](#). At school the children will write u on a whiteboard or on paper.

Activity 2: Do the "Find U Spy and Count" activity. You can print a worksheet or do it on Seesaw.

Activity 3: This is [very important](#) - Click to watch [Smart Spelling Lesson 5](#). **Password is hps.**

Paste "My Weekly Words" **sun** sheet into your child's book. Read and write the common words (shaded blue). Please support your child to read the other words mum, run etc

Activity 4: Talk about the sun. What is it? What does it do? Then do the directed drawing of the sun on Seesaw or worksheet. This can be done later.

Song: [Here Comes the Sun](#)

Reading: 20 to 30 minutes

Please login on to the new PM readers ebook site <https://app.pmeollection.com.au/> or download the app.

Here is a video on the [PM e-collection](#)

Today we would like you to get used to using the app.

An email with a note has been sent from the school.

Your login details will be on Seesaw.

Maths: 30 minutes

Activity 1. Warm Up Game - Use the pink 1-20 cards (in the pack posted home)

Who has the bigger number? 2 players or more.

Equipment: 1 set of number cards (0-20), pencil, paper or white board

How to play:

- Youngest player goes first
- Divide the cards between the 2 players equally. Do not look at your cards
- Each player picks up 1 card each and places it down
- Whoever has the largest number wins a point

Activity 2. Go to Origo Home Maths [Topic 4](#)

We are Year F level. We started this topic last term. Please start at Wednesday's lesson.

This is the Stepping Stones maths we use in class. Origo have adjusted the lessons for home. You are asked to work through this with your child. We will do the same at school.

Maths online will start Week 2

Other Activities

Numberblocks is on ABC kids at 10 am The Whole of Me or [here on youtube](#). This is a program we watch at school and after we talk about concepts in the episode.

In the afternoon the children at school will be colouring, drawing or painting.

Story time

Thursday 30th April

Writing, Spelling and Phonics Activities:

We are revising the sound/s/

Activity 1: Do the "Find S Spy and Count" activity. You can print the worksheet or do on Seesaw.

Activity 2: Watch [Smart Spelling Lesson 5](#) again.

Password is hps. At school we do this each day. Read and write the common words (shaded blue). Try writing with textas, with paint, on a blackboard etc

Activity 3: Learning common words. Find the words was and not on Seesaw or worksheet

Activity 4: Guided Writing Sun Sentence

Please play this video and follow the instructions.

Reading:

Please login on to the new PM readers ebook site <https://app.pmeollection.com.au/> or download the app.

The teachers have set up a session and an activity in the PM eCollection.

Maths:

Activity 1. Warm Up

Use the pink 1-20 cards in the pack posted home. How quickly can you put them in order from 1-20.

Game: Take a card or away

1,2,3,4,5,6,7,__ 9,10

11, 12__ 14,15,16,17,18,19,20

Answer: 8 is missing because I know it comes after 7 and before 9.

13 is missing because I know it comes after 12 and before 14

Activity 2. Go to Origo Home Maths [Week 4](#)

We are F Level. Please work through Thursday's lesson

Other Activities

Number Blocks is on ABC kids at 10am or here on youtube. [The Terrible Twos](#)

Colouring Sheet for [Too many Elephants.](#)

Story Time

[Too many elephants in this house.](#)
